

MCB OPENED REGULATION PROJECTS - STATUS

NAME OF PROJECT	STATUS
1. Waste Management – removing three-day waiting period	At LT Governor’s office for final signature/approval
2. Enforcement Action Process	With Law under final review
3. Transfer of License to Another Location	With Law under final review
4. Exterior Window Pick-Up	Initial draft for discussion on September 2022’s agenda
5. Public Notice of License Applications	On September 2022’s agenda for board consideration
6. Dairy Butter, Oils, Fats – as stand-alone product	On September 2022’s agenda for board consideration
7. Renewal Application Requirements – removing docs as a requirement every renewal season	On September 2022’s agenda for board consideration
8. Trade Shows – sample sizes	On September 2022’s agenda for board consideration
9. Video Surveillance – power backup	On September 2022’s agenda for board consideration
10. Distributor license	No update. Most likely needs a statute change.
11. (Business name) Signs	This issue was sort of discussed at the Article 7 discussion held on 9.9.22. If it is okay with the board, Joan and Jane will work on it. Please, change from working group to in-house.
12. Security Interest Transfer – like in alcohol	With all the big projects (transfer of location; enforcement; dairy butter), I have not had the opportunity to look into this. It gets complicated when we have big projects that sometimes overlap.
13. (state?) taxes owed – renewals	This project is complicated. At the January 2022 meeting, the board wanted the draft to be re-worked. I need to look at it with

MCB OPENED REGULATION PROJECTS - STATUS

	director. At some point there was the question of what the term “the board will” really means.
14. Packaging – multipack (Momo’s bakery example)	Internal office convos with director, enforcement, and program coordinator are happening on whether this really needs a regulation. It could just be a matter of interpretation – director contemplating issuing written guidelines if that is okay with the board.
Explore the ability for AMCO/State to sell seized marijuana to recoup costs.	Question will be or has been sent to Law for research.
